Word 2021

From essential to advanced skills

Aim

Discover Word and master all its features. From the essential to the advanced commands, this training programme will make it possible for you to progress in all aspects of the application (entering text, formatting and page layout, inserting tables, pictures and graphic objects, advanced features such as templates, mail merge and managing long documents...).

Target audience	Level required	Estimated time to complete the essential modules
Any user who wishes to discover or revise Word's basic features and address its more advanced features.	No prior knowledge of Word is necessary. However, some use of the software may make it possible to progress faster.	18h 05min

Course content
