# PowerPoint 2019

## Advanced techniques

### Aim

You have mastered the essential basic commands and would like to go further with the advanced features. This course will enable you to discover or deepen your knowledge concerning these advanced features. It will teach you about masters, animation and transition effects, about how to enrich your slides using tables, graphs, SmartArt objects and how to optimise the projection and distribution of your presentations.

### Target audience

Any user who masters the essential basic commands and who would like to discover or deepen their knowledge about advanced features.

### Level required

You must master basic commands to access PowerPoint's advanced features without difficulties.

### Estimated time to complete the essential modules

10h 05mn  
(the video sequences last 5 minutes on average)

## Course content
