Ref : EB10WIND

Windows 10

Discovering the environment

Aim

*This training video is aimed at anyone who wishes to rapidly get started with the new environment proposed by Microsoft. If you have little experience with IT, it will lead you step by step to teach you to use your computer or tablet equipped with **Windows 10**. If you have already used a computer under a different version of Windows, it will help guide you in this new environment.*

Target audience	Level	Estimated time to complete the essential modules
Any user wishing to rapidly get started with this operating system.	No prior knowledge of IT is necessary. It is sufficient if the user is familiar with the use of a keyboard and mouse.	01h
